

# LENT

## SEASONAL RESOURCES FROM THE EPISCOPAL DIOCESE OF CONNECTICUT

### How Many Game

Use this in conjunction with a mite box or your own parish's outreach project in Lent. Each day (or timing that the family agrees on) pick a card to find the answer. Individuals or teams look up the answer in the Bible. \*\*\*\*\*The first to find the answer collects a predetermined amount of change, or checks the Lenten calendar for the action of the day, from each player to put in the mite box or Lenten jar. At the end of Lent or your parish's project contribute the game proceeds. (If your parish is doing a food drive, take the money to the store and pick out the food to be donated) "How Many Cards attached" It might also be helpful to give families a list of the books of the bible)
